

The Pediatric Center is saddened to announce the upcoming retirement of Francesco Beuf, M.D., but looks forward to welcoming Daniel Sarko, M.D. in August 2011.

---

Dr. Sarko is a board certified pediatrician. He completed his undergraduate education at Syracuse University, majoring in television, radio, and film production. As a native of Ohio, Dr. Sarko returned for medical school, graduating from the University of Cincinnati in 2001. He completed his residency at University of Maryland Hospital in 2003. Since then he has been providing exceptional care to children of Baltimore, Maryland.

Dr. Sarko is excited to practice in his dream location! Together with his wife and child, he can't wait to adopt the Boulder lifestyle, and is especially looking forward to hiking and skiing. Dr. Sarko is also an amateur guitarist and enjoys attending concerts and listening to his extensive music collection.
